In re Application of :

Application No. 09/745,091 : **ON PETITION**  
Filed: December 19, 2000 :  
Attorney Docket No. 00 P 7662US01 :

This is a decision on the petition under 37 CFR 1.137(b), filed on October 24, 2007, to revive the above-identified application.

The application became abandoned for failure to timely respond to the Notice of Allowance and Fee(s) Due mailed May 9, 2007. A Notice of Abandonment was mailed on September 6, 2007.

It is not apparent whether the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute the above-identified application. However, in accordance with 37 CFR 1.34(a), the signature of David D. Chung appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he is authorized to represent the particular party in whose behalf he acts.

The petition satisfies the requirements of 37 CFR 1.137(b), in that, petitioner has supplied (1) the reply in the form of \$1,440 for payment of the issue fee and \$300 for payment of the publication fee; (2) the petition fee of \$1,540; and (3) a proper statement of unintentional delay. Therefore, the petition is **GRANTED**.

The file does not indicate a change of address has been submitted, although the address given on the petition differs from the address of record. If appropriate, an attorney of record should file a change of address in accordance with MPEP 601.03. A courtesy copy of this decision is being mailed to the address on the petition; however, the Office will mail future correspondence to the address of record.

This application file is being referred to the Office of Data Management for further processing into a patent.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3226.
